THIS IS APPLICABLE FOR ALL RETAILERS

Exclusions

Certain conditions apply to some retailers meaning that although the card will be accepted as a payment method, no savings are applicable in those circumstances or for the items indicated.

If you are buying goods online then please check that the transaction is being made with our retail partners rather than a 3rd party supplier. For instance, large white goods are often supplied by a 3rd party supplier who is not included in our cashback scheme and will process the payment under their own name e.g AO.com not the retailers. Please refer to the original retailer's website T & C's.

As a guide, please refer to the online terms and conditions, payment information, partner sites and FAQ's on the retailers website.

If you are unsure, then before proceeding please contact customer services who will be pleased to assist and advise.
